Randall M. Pembrook

Thank you for sponsoring _____, an outstanding
(Musician's name)
young musician in the Youth Symphony of Kansas City.

Youth Symphony musicians, from 3rd through 12th grades, participate in one of seven orchestras, each one graded to progressively more advanced musical challenges. These young people are dedicated and hardworking.

With support from many business sponsors, the Youth Symphony provides outstanding training to 400 young musicians who aspire to perform in an orchestra. Their effort goes far beyond what is expected in school and is deserving of your generosity. While some choose music as a career, most pursue other fields. Yet the gift of classical music will be in their hearts and will always be with them.

For more information about the Youth Symphony, visit www.youthsymphonykc.org. In September our concert schedule will be listed on the website and we invite you to be our guest at a concert. They are all free and open to the public and offer a wonderful experience for you and your family.

Yours,

Stephen Kort
President

Mary Corneil
Executive Director
